Instrumental Guided Study Option Fees

The amounts listed in this column reflect the fees for the Instrumental Guided Study Option, which is comprised of students who cannot participate in the Marching Band due to their after school sport. Students in this program will meet during the band period all year, including marching season; however, they will stay inside to practice while the majority of band members go outside to march. They will practice different music than the Marching Band. At the conclusion of marching season, ALL band members will audition for seating in one of the three concert bands. ALL band members will also march for the “off-season” parades, and will wear their uniforms for the winter and spring concerts.
